WEBINAR INVITATION

The Chamber of Commerce Finland-Switzerland (CCFS) is pleased to invite you to the next "Broaden Horizons" member webinar

"Pimp your LinkedIn profile to drive your social media business"
with Cordin M. Camenzind, AD Promotion

Thursday, 11TH NOVEMBER 2021 from 11.00 to noon (CET)

Now is the time to make LinkedIn a strategic priority in establishing both, your company's and your personal brand. In your aspiration to become an acclaimed business leader and to leverage your expertise to create new business opportunities, it is crucial to establish a state-of-the-art representation on LinkedIn. To embark on your journey towards social selling, your personal profile is the centerpiece of your online-business strategy as LinkedIn is the "only true" social media marketplace. Learn in our session **how you maximize your LinkedIn profile in only seven steps**. And one important note: there is no such thing as a free lunch in doing business on social media – but we make sure that you will know after the webinar session how to make your expertise shine strong to attract new business via your LinkedIn profile.
